Since early 2014, **MyVitaly** has been promoting health and wellness with simple, sustainable, natural and effective products for wellbeing. **MyVitaly** combines modern science nutrition, age old healing recipes and natural remedies. Our aim is to provide quality plant extracts through drinks, pills and beauty products.

Our philosophy is focused on the ancient Olive Tree, symbol of beauty and longevity, as well as milestone of our Italian Tradition. Olive leaf is the main ingredient of all **MyVitaly** products.

Founders of **MyVitaly** embrace the healthy Mediterranean diet, where olives and olive oil play a leading role. Extravirgin Olive Oil is rich in Antioxidants, it helps to lower Cholesterol and is a Natural Free Radical Scavenger..

Thousands researches show that several health benefits are associated with Olive Leaves properties. Active Ingredients like Oleuropein, Hydroxytyrosol, Elenolic Acid and Rutin play the major role.
